

INFORMATION FOR STUDENTS AND STAFF:

Temporary trafficking arrangements in Yliopistonranta 20.1. -27.3.2020 due to some cable work.

Parking on campus is as usual *except for* of the parking on the roadside in Yliopistonranta (marked in the map down below).

Please take into account cyclists, joggers and other light traffic by driving slowly, since their detour is partly directed through the parking lot. As for strollers, we suggest good reflectors so that the motorists see you in the darkness.
